

# Seasonal Guest Newsletter March 2020

## Welcome Spring!

Hi there,

Just a quick update...We are planning to open the campground on April 24, 2020 at 9:00 a.m. However, your health and happiness remain our priority. We are required to follow the State Guidelines. That date may need to change. This is a very fluid situation and things seem to change minute by minute.

Tony, Poco, Tugger and I are planning to head north April 2.

We ask that you allow us to get the campground prepared for opening day. We had a huge number of trees taken down and trimmed the end of November. All that clean-up, in addition to leaf removal are just a couple of things that need to get done prior to opening day.

(There is a new lock on the gate!)

## Coronavirus At MPC:

**On-line Webinar:** I have signed up for a 4 session webinar sponsored by National Association of RV's and Campgrounds. These are sessions focusing on minimizing the risk of Coronavirus to co-workers and guests. We may need to implement new policies and procedures, upon opening.

## Unpaid Invoices:

If you have unpaid invoices, these invoices must be paid in full, prior to you coming to the campground. Unpaid invoices were emailed out at the beginning of March.

## Welcome New Seasonal's!

Cutajar, Daniel - WOL 5  
Leach, Vicki & Robert - LL15  
Lyon, Steve & Cathann - AW1  
MacMichael, James & Christine - MTT9
