

Seasonal Guest Newsletter Happy Spring!

Opening Weekend:

April 29, 2016...Only 41 days away! Spring starts tomorrow! Who loves the time change! I always feel that when the time changes, summer is right around the corner!!

Scott & Brad Update:

Scott has been so busy since mid February, that he and I have been texting.

Here is Scott & Brad's latest list of accomplishments:

1. Widening the entry road. Many trees had to be taken down.
2. Scott has been trying to concentrate on West Oak Lane 9, one of our rental units. It was gutted in the fall of 2014. We neglected the leaking roof and now he is having to problem solve extensive water damage. He has great vision and I am sure the end result will be drop dead incredible.
3. The cement walls by the pool area, playground and Hemlock Hollow 1 are being covered by pine boards.

I ask all of you to extend your appreciation for all that these great guys do for all of us!!

Good News:

So Sorry...I did not want to give you all the good news in the first newsletter...Fear not, Carol, our site cleaner, landscaper, etc is back. In fact she has already started. She arrived March 12 and on March 13 she was already raking her site and digging the mud off the deck of East Oak Lane 6. I think she is now working on cleaning up seasonal sites!
